

Bringing quality healthcare to Nevada's communities

December 31, 2015

Ms. Kerry Sharon, President
Community Charity Advancement, Inc.
dba: Breast Cancer Research and Support Fund
4699 North Federal Hwy., Ste. 101-H
Pompano Beach, FL 33064

Dear Ms. Sharon:

On behalf of Nevada Health Centers and our Board of Directors, I would like to express our gratitude for your donation of \$10,000.00. The funding from this donation will allow Nevada Health Centers to continue to deliver quality health care to women throughout the state of Nevada via the Mammovan Program. Awareness and early detection of breast cancer is critical when considering diagnosis and treatment options and often provides for a better prognosis of the disease.

Keeping the Mammovan "on the road" costs approximately a million dollars a year. Support from our donors goes a long way in helping Nevada Health Centers fulfill the mission and to cover the costs of operating our Mammovan statewide. It is through the efforts and generosity of donors like you that allow us to give the women in our communities the extra support and care they need and deserve.

We sincerely appreciate your tax deductible donation. For more information regarding Nevada Health Centers and how we are making a difference in the communities that we serve, please visit our website at www.nvhealthcenters.org.

Once again, *heartfelt thanks* for your gift. We know that you could have given to other causes and we are humbled and grateful that you chose Nevada Health Centers as a recipient of your generosity.

Sincerely,

Lisa Dettling
Vice President of Mission Strategy
Nevada Health Centers, Inc.
