December 8, 2015

To Whom It May Concern,

Attached you will find the donation check to Breast Cancer Research and Support Fund.

The Culture Team located at UTAS Cleveland Plating facility held a breast cancer awareness fundraiser called the Plating Pink Ribbon Fundraiser. We set a goal of raising \$100 and challenged our employees to double that amount by the end of October. Everyone that donated put their name on a ribbon and posted it in our main hallway. You will find the picture of the donation wall attached as well. We succeeded in reaching our goal and an employee, who has been closely affected by breast cancer in their family, chose this organization to receive the money we were able to raise.

We hope that these funds will assist in the fight against breast cancer at Community Charity Advancement.

I appreciate your time in reviewing this letter. Good luck on your future endeavors. If you have any questions, please contact me at (216) 429-4297.

Sincerely,

A handwritten signature in cursive script that reads "Maggie Trentadue".
